I have **facial palsy**.

I may do things differently from others:

- ☐ Smiling.
- ☐ Speaking (I may slur).
- ☐ Moving my face (sometimes unexpectedly).
- ☐ Eating and drinking can be a challenge.

Please be considerate:

- ☐ With cameras, please ask first.
- ☐ My hearing is affected. Face me, don't shout.
- ☐ My eye(s) can be painful.

Thank you. Your sensitivity is appreciated.
